

M&A

Reith Schick & Partner Attorneys

Comment:

Traditionally this Stuttgart firm has had a strong foothold in the healthcare sector, but recently the two younger partners have broadened the transactional practice. Asian investors in Baden-Württemberg now play a prominent role. The close ties to one of Germany's largest retailers are well known and give rise to frequent transaction work. (4 partners, 4 associates)

Clients:

City of Tengen on takeover of a care home; Klinikum Mittelbaden on acquisition of Ebersteinburg hospital; large auto supplier on sale in the course of wealth succession.
