Navigation data

70469 Stuttgart
Heilbronner Str. 293
(underground garage)

From the North

From the A 81 take the exit S-Zuffenhausen onto the B10 towards S-Zentrum. You will find our offices after approx. 9 kilometres on Heilbronner Strasse on the rise to Pragsattel shortly after the filling station / car wash "Mr. Wash" on the right.

*** Stay in the right-hand lane and drive in front of our building** (sandstone with glass façade onto the street) into our underground garage on the 2nd basement level to the parking space reserved for you.

From the South

From the A8 take the exit S-Degerloch onto the B27 towards S-Zentrum. Drive through Stuttgart Zentrum towards S-Nord / Zuffenhausen / Autobahn 81 (junction S-Zuffenhausen). After the crossroads at Pragsattel you will see our building approx. 300 m

downhill on the opposite side of the street (sandstone colour with glass façade onto the street). After a U-turn in the street leading off to the right (Krailenshaldenstrasse; see TÜV sign), drive approx. 150 m uphill. (further see *****)

Alternatively, you can also reach us from the crossroads at Pragsattel on the B 295 (direction S-Feuerbach) via Siemensstrasse. Don't turn right into Leitzstrasse, but first take the second turn right (Maybachstrasse) between the hotel ibis budget and the Esso filling station.

You drive past our building and, after a long left curve, turn right into the Sieglestrasse until the next crossroads with the B 10 / B 27. There you turn right uphill. (further see *****)

By aeroplane, train and underground

From Stuttgart airport either by taxi (approx. 30 min.) or with the S2 or S3 to the Hauptbahnhof (main station) (approx. 30 min.).

From the Hauptbahnhof take the U6 towards Gerlingen, get off at the stop "Maybachstrasse" and use the exit "Siemensstrasse". Walk down Maybachstrasse between the Ibis Hotel and the Esso filling station. Maybachstrasse leads in the next curve into the Leitzstraße. In the curve you walk directly towards our sandstone coloured building ("Oasis III").
